

Fall Equinox 2013 Schedule of Events ~Sept 22-29

Saturday – Apiary

a place where bees are kept; *especially* : a collection of hives or colonies of bees kept for their honey

Monday Afternoon: Zoo – Bird Atrium

Enter a sub-tropic rain forest in the Zoo! Admire our fine-feathered friends as they explore their free-flight habitat. You'll see nature's colors in all their glory-- Red-legged Honeycreeper, the Purple Swamp hen, the Toucan and the Blue Bellied Roller. Enjoy the peaceful waterfalls and river that runs through this area and watch exotic and endangered birds gracefully soar overhead.

Tuesday Afternoon: Museum of Science and Industry (MOSI) - Butterfly Atrium

Butterfly Garden: The butterfly garden directly adjacent to BioWorks contains native and Florida-Friendly nectar and host plants. This garden provides a model for homeowners who wish to create their own butterfly gardens. The outdoor butterfly garden is open year-round during museum hours.

Thursday Evening: Air-heads Trampoline Zone

AirHeads Trampoline Arena's wall-to-wall green and blue trampolines abound with bouncers of all ages. In addition to open-jump sessions, the facility's extra-large trampoline hosts pickup dodgeball matches and basketball games. Participants squat, jump, and bounce during 50-minute workouts while bystanders can make note of new moves from the Flight Deck viewing area. The concessions area sates appetites with snacks such as pizza, hot dogs, and chicken wraps, and the full arcade reacquaints jumpers and astronauts with gravity's awkwardly relentless grip.

Optional (727) 461-5229

\$99 for an Introductory Flight Experience (\$205 Value)A certified flight instructor spends 60 minutes teaching basic flight maneuvers and specialty operations, such as instrument training, emergency procedures, and waving at passing clouds.
