

Nation Building: In what order should we Build???

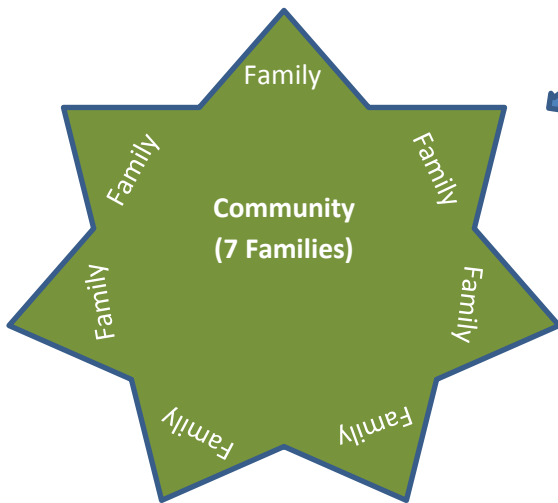

Hero: Queen Hat-shep-sut (The World's Greatest Architect)

1st: Self, 2nd: BlackFamily (Blackman, Blackwoman & Blackchild), 3rd: BlackCommunity, 4th: BlackNation, 5th: BlackRace

Family Planning: To limit Black couples to two children per family would not be a good idea at this time. We Black people are living outside of our natural way of life, and have been for 6,000 years.

To impose such a drastic measure of population control on ourselves now would play right into the hands of yt, who would love nothing more than to see our extinction.

UNITY OF RACE
The 1Billion 8Million Members of the BlackRace

We will find and apply the spirit of the law when it is not possible to apply the letter of the law.

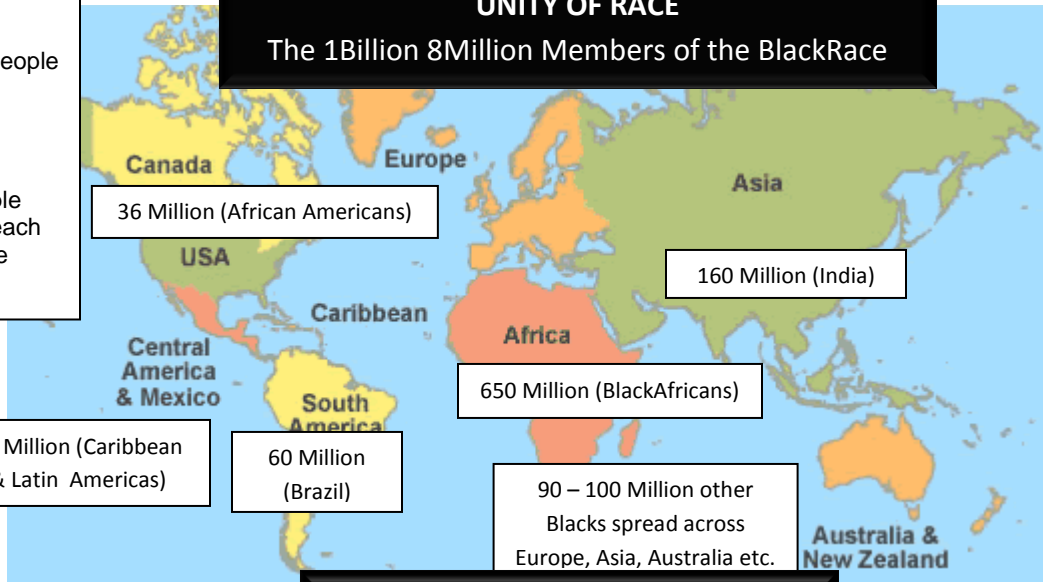

Each community will ultimately have a Judgment Committee and other necessary Committees, each one consisting ideally of 12 members, 6 men and 6 women.

The smallest community can be as small 2 people dedicated to helping one another and their people.

Dedicated to finding other likeminded Black people, or it may be as large as 14,000 people which is the maximum number of people in each community who can form a real town and live together in complete self-reliance.

What is Black?

Black is having the genetic ABILITY to create the kinky haired melanated Blackperson –without using someone else's Black genes.
